Rand, McNally & Co., Printers, Stationers and Engravers, 51 Clark St., Chicago.

Union & Central Pacific
RAILROAD LINE.

MAKE A NOTE

The Route VIA OMAHA is

159 MILES THE SHORTEST
From New York.

226 MILES THE SHORTEST
From Chicago,

To SALT LAKE CITY, SACRAMENTO,

SAN FRANCISCO

And Trans-Pacific Ports in

AUSTRALIA,
JAPAN, CHINA AND INDIA.

The Tourist will find the trip to Salt Lake City the most delightful on the Continent. The beauties of the Great Valley of the Platte; the grandeur of the scenery at Sherman, the *highest point in the world* reached by the *iron horse;* the *Grand Park* of Laramie Plains; and the wonderful *Natural Walls* of *Echo* and *Weber Canons,* whose wild, weird scenery, so majestic, so awe-inspiring in their sublimity, are unsurpassed in the world, are among the many attractions of this route. The *Home of the Mormons,* GREAT SALT LAKE CITY, with its wide streets, bordered with shade trees, affording delightful drives; the *Medicinal Springs;* Warm Spring Baths; Hot Springs; fine hunting and trout fishing; boating on the Lake; feasting on the richest of fruits, which grow in abundance; the *Tabernacle, Temple, Museum, Theatre,* and other buildings of the *Latter Day Saints;* each and all afford pleasure and instruction to the Tourist, while stopping in this charming retreat among the Mountains of Utah.

The Great Mines of Utah.

These mines are being rapidly developed, and have proved to be the *richest, most extensive,* and will be more permanent *than any yet discovered on the continent.*

Pullman's Palace Drawing Room and Sleeping Coaches
On all Express Trains.

Baggage Checked Through to Destination.

☞ Second Class Cars are Attached to Express Trains.

Through Tickets can be procured at all PRINCIPAL TICKET OFFICES EAST.

Steamers leave San Francisco, regularly, for all ports in Sandwich Islands, Australia, Japan, China and India.
